visa applications and more than 45 years of experience*

Experience

CEO / President - CAS Oil Visas

CAS has the largest structure in the area, issuing temporary and permanent visas to Brazil. The company was established in 1972 and it is the pioneer at legalization to foreigners. Our competitive difference is that we assure 100% quality, meaning that we attend 20% of the companies which represent 80% of the major projects in Brazil, mostly in the oil & gas industry.

CAS offers total attention and focus on the desired results and obtained in a timely manner.

A leader in the area of immigration, CAS prepares a strategic and effective recruitment and transfer of high-qualified foreign labor in Brazil, regulating the foreign collaborators who are uncertain about the legislation and laws. CAS has 38 years of experience and knowledge in order to meet the needs of our clients.

Dr. Carlos Aud Sobrinho, the CEO of CAS and a team of professional with extensive and comprehensive experience in the area, shows that CAS does what it promises, with high quality and guaranteed deadlines. CAS also relies on Dr. Carlos Jorge Aud, the Director of CAS, for guidance and support due to his many years of experience. Our vision is of costs/benefits, though CAS is not only interested in the profits, but in a relationship and the value of services to our clients.
